## Disclaimer

The questions and strategies contained herein may only be suitable for some situations. This workbook makes no guarantee that you will achieve every goal if you follow the recommendations. However, it does provide you with tools that should increase the likelihood that you will reach your goals if you follow the strategies and answer the questions as outlined. I may get an affiliate commission for some items I recommend in this book. You will not pay any more for these items. However, you can be sure I will not recommend anything that, at the time of this writing, wasn't high quality.
